I have no words to express my views about my University. The whole time that I have spent in the University is a golden period of my life.

Person's character and positive thoughts are two immensely important assets. Here we can polish our character and express positive thoughts. My Institute inspired and encouraged me a lot to learn more and more. I feel, UAJ&K is fulfilling my dreams and is operating me for competing with the students of any University of the country.

It is my honor that I serve Valentirely for the better- ness of the students and University.

Muhammad Abdul Saboor
